

ITEM: QUICK BLANCHED SELECT SLICED MUSHROOMS
PACKAGING: 6/62 OZ. PAILS
ITEM CODE NO.: MUQB62S
SPEC. REVISION DATE: 04/25/2014

To-Jo Quick Blanched Select Sliced Mushrooms are processed from a commercially cultivated strain of *Agaricus bisporus*. This product is packed from freshly harvested mushrooms that meet or exceed USDA Grade #2 standards. Our button mushrooms are inspected for specification conformance, then gently water-blانched and cooled to preserve color and texture. The cooled, drained product is weighed into 62 oz. pails and packed with a flavorful brine that helps insure an extended shelf life and enhances the rich umami flavor of mushrooms.

GFSI Status: To-Jo Food Products, Inc. is certified under the SQF 2000 Standard at SQF Level 3.

SHELF LIFE AFTER OPENING

The shelf life of an opened package of this mushroom product depends on factors that are not within the control of To-Jo Foods, Inc.

These factors reflect the environment in which the product is opened, used, and held, and can include storage temperature, kitchen and employee hygiene, type of storage container, and product handling procedures.

To maximize shelf life, the unused portion of our product should be stored in the brine in which it is packed for a maximum period of 7 days after opening at a storage temperature of 34° - 40°F.
