Handling Suggestions

Refrigerate at 40 degrees Fahrenheit. Store refrigerated for up to 120 days.

Serving Suggestions

Mix fresh herbs or favorite spices into softened butter for a quick and delicious topping for grilled meats and vegetables. Or add honey for a sweet spread. A little butter goes a very long way when you heat it in a skillet until lightly browned with a nutty aroma, then drizzle over anything from fresh corn to roasted squash. <http://www.cabotcheese.coop/cultured>

Prep & Cooking Suggestions

Butter has an incomparable flavor on its own, and amplifies the flavor of other ingredients. To use it for pan-frying, combine it with canola or olive oil to keep the great flavor but prevent it from over-browning.
