Disclaimers:

- All product is produced in accordance with good manufacturing practices and conforms to all applicable federal, state and local regulations.
- If quality issues arise, make sure that all packaging and product are saved for review and retrieval of pertinent information (i.e., producing facility, lot, etc...)
- All quality issues should be reported to your company's corporate offices. Your company's corporate offices will report the issues (along with all pertinent information) to Smithfield's Quality Assurance contact person. Smithfield's Quality Assurance contact person will notify Product Management.
- The nutrient analyses represent typical production lots, these are not guaranteed as minimum or maximum levels.
- Child Nutrition, Meat/Meat Equivalency, or Product Formulation Statement information may be available upon request.
