Potassium 350mg	7%

* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

Handling Suggestions

All products are code dated with "guaranteed fresh by" date on front of bag. Rotate product to insure fresh products. Destroy products that are beyond the "guaranteed fresh by" date. Store at room temperature out of direct sunlight.

Serving Suggestions

Make available to your customers to purchase as a side item with all types of sandwiches, soups, salads and other main dishes.

Prep & Cooking Suggestions

Use code date on bag to rotate product so the oldest product is consumed first. Bag can be placed on display rack, or hung on a peg rack. Also a great option to be included in catering / box lunches. Contact PepsiCo Foodservice for display equipment options.
