EGG NOODLE

Medium Noodles are curly extruded pasta strands approximately 2.25" long and 1/4" wide. Like all pasta, noodles are made with durum semolina and water but, by USDA definition must include the addition of 5.5% egg solids. The albumen present in the egg results in a more resilient bite thereby making noodles ideal for soups and casseroles. The tradition for using egg pasta began in Emilia is still the preference in much of northern Italy.
