Features:	At Barilla, we're passionate about pasta. After all, we have been pasta makers since 1877. As an Italian family-owned food company, Barilla pasta is synonymous with high quality and "al dente" perfection every time. Our Gemelli is made from the finest durum wheat and is non-GMO verified, peanut-free and suitable for a vegan or vegetarian diet. Gemelli is a simple shape of two strands of pasta twisted together. These small twists are also remarkably versatile, as their shape holds the flavor of sauce beautifully. The twists and spirals of Gemelli allow it to embrace both refined and simple sauces.
Preparation and Cooking:	Boil - Bring 4-6 quarts of water to a boil. Add pasta to boiling water. Boil for 12 minutes stirring occasionally. Drain well.
Serving Suggestions:	Serve with your favorite Barilla sauce
Storage:	Storage: Store in dry environment at an ambient temperature.
