Flexstyle[®] paper food containers efficient redesign provides a 3 container to 1 lid program!

Flexstyle[®] paper food containers & lids are just that - flexible! These durable containers are made with a double-sided polyethylene material so they can be used for either cold or hot food applications up to 205°F! Perfect for hot take-out items like soup or for storing ice cream in the freezer, this multi-purpose container offers something for everyone! Our Flexstyle[®] paper food container line is available both in bulk and combo pack options. The combo packs are offered with our spiral wound paper vented lids.

Sustainable Features:

- **Recyclable** – May be recycled if you have access to a recycler that accepts paper foodservice containers. Such facilities may not exist in your area.
- **Renewable** – Made with 91% plant-based renewable resources.
- We source fibers certified under the SFI chain of custody.
- PP Lids are made from recyclable PP ♻️.
Check locally, may not be recycled in your area.
